

Specifications Osram LED driver Optotronica Power Supplies CV 24V | BL

[View Product](#)

## Characteristics

Series CV Power supplies

## General Information

|                   |                                  |
|-------------------|----------------------------------|
| SKU               | 237587                           |
| EAN               | 4062172046558                    |
| Brand             | Osram                            |
| Manufacturer Name | OTI BLE 80/220-240/24 1-4CH VS20 |
| Full box quantity | 20                               |

## Technical Information

|                       |                        |
|-----------------------|------------------------|
| Technology            | Accessory              |
| Wireless connection   | Bluetooth              |
| Lighting Control      | Bluetooth              |
| Dimmable              | Not Dimmable           |
| IP-rating             | IP20                   |
| Type of sensor        | No Sensor              |
| Product Type Category | Accessory - LED Driver |

## Why Any-lamp?

## Dimensions

|             |     |                                                                                                                                                 |                                                                                                                   |
|-------------|-----|-------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------|
| Length (mm) | 346 |  Order from the <b>largest lighting specialist</b> in Europe |  <b>Customised</b> quotation |
| Width (mm)  | 32  |                                                                                                                                                 |                                                                                                                   |
